Public Education Strategy: Our purpose for public education in South Australia is for every child and young person to learn and thrive. This is the heart of our education strategy.

Our school Context:

TPS&DU **Vision:** Shaping the future through creating a school community where everyone is valued and supported to achieve their best through high quality, safe, active and inclusive teaching and learning.

Values: Kindness Persistence Inclusivity Resilience

SA Curriculum: 2025 to 2026

To engage with the SA Curriculum:

In 2025 focus on Mathematics and enact other learning areas according to local priorities. Activating our plan and increasing our level of engagement towards full adoption in 2027.

Areas of Impact: Learner Agency → Effective Learners
